COURSE PERSPECTIVE:

Cyber Law is a major necessity in the country with the growth and advancement of technology. Cyber law not only governs the cyberspace but has captured entire world right from privacy of your personal data stored online to your social media posts to your demat share trading account. Every human kind using digital technologies such as apps, emails, social media, smartphones, online banking, online shopping etc. is counterfeited by cyber crimes.

The increased access of internet has also made it vulnerable to crimes like phishing, hacking, cyber terrorism etc.

Child pornography, stalking and online abuse is on the rise in the cyberworld leaving many unanswered questions in the minds of the people. The users of

cyberspace are increasing manifold which in turn leads to the necessity of robust laws governing these users.

Keeping this view in mind Symbiosis Law School, Nagpur is conducting a value-added course on Cyber Laws from 30th July, 2021 to 14th August, 2021.
