CULTURAL WEEK CELEBRATION' 2022

The Cultural Cell of Symbiosis Law School, Nagpur organized yet another successful cultural week creating a vibrant, vivid and colourful atmosphere, full of festivities and celebrations for the students of the college. Inauguration ceremony by our very own Director Sir, **Dr. Sukhvinder Singh Dari**, flagged off the grand event at Symbiosis Law School, Nagpur.

With an objective to create an amicable atmosphere and promote holistic development of the students and to provide an apt platform for them to showcase their skills and talents, the cultural week was organized w.e.f. 14th March 2022 to 17th March 2022. The whole college was covered in colours of happiness, joy and immense enthusiasm. With several events scheduled for each day, no compromise on academics was done. The celebrations all started after the classes. The events planned for the days of the week were all in accordance to the theme of the day. Classroom Decoration was undertaken one day prior to the initiation of the cultural week to make the college look even more decorated. **Dr. Sukhvinder Singh Dari, Director, SLS, Nagpur** along with the staff visited the aesthetically decorated classrooms under the theme of Incredible India.

The students, faculty and the staff members all welcomed the cultural week with immense enthusiasm and curiosity. The cultural week brought a four-day celebration with themes like never before. The theme for **Day 1** being '**Old Skool**' was a complete nostalgic snack! Everyone was seen with costumes from the 80's and the 90's. The first day marked the events of - Escapology, wherein students were locked in a room with clues for 4 minutes and were made to hunt for the last clue that would get them out of the room. - Gaming, a majority of boys were seen in the event with their consoles and the thirst to win the matches that were played within rooms for BGMI, COD and others were flexing on their gaming skills through Valorant and CounterStrike GO. Every match for every game had a cut throat competition and the experience was a nail biting one. - Lip Sync was one of the best organized events of the day. The room was flooded with people wanting to show how good they are with lip syncs. Old songs were played and students were made to lip sync to those 80's Kishore Kumar hits! - You Laugh, You Lose where you were not allowed to laugh. -Antakshari , wherein everyone came together to sing their hearts out marked the ending of day 1.

Day 2 presented a very colourful day and indeed a vivid experience like a rainbow, with the '**VIBGYOR**' theme. Events so planned for the days were Face painting, students had come in pairs and were covering faces with beautiful artistry. - T-shirt Painting, had a theme of masquerade in which everyone showed their creativity to the utmost level. - Pictionary was a hit event with pairs coming in and teaming up against pairs and guessing the pictures sketched by them. Uno tournament included 7 individuals in 7 tables all playing to win that one spot of UNO master. By the end of the day, stalls were put up by groups and individuals with creative food combination ideas, cooking without fire marked the ending of Day 2.

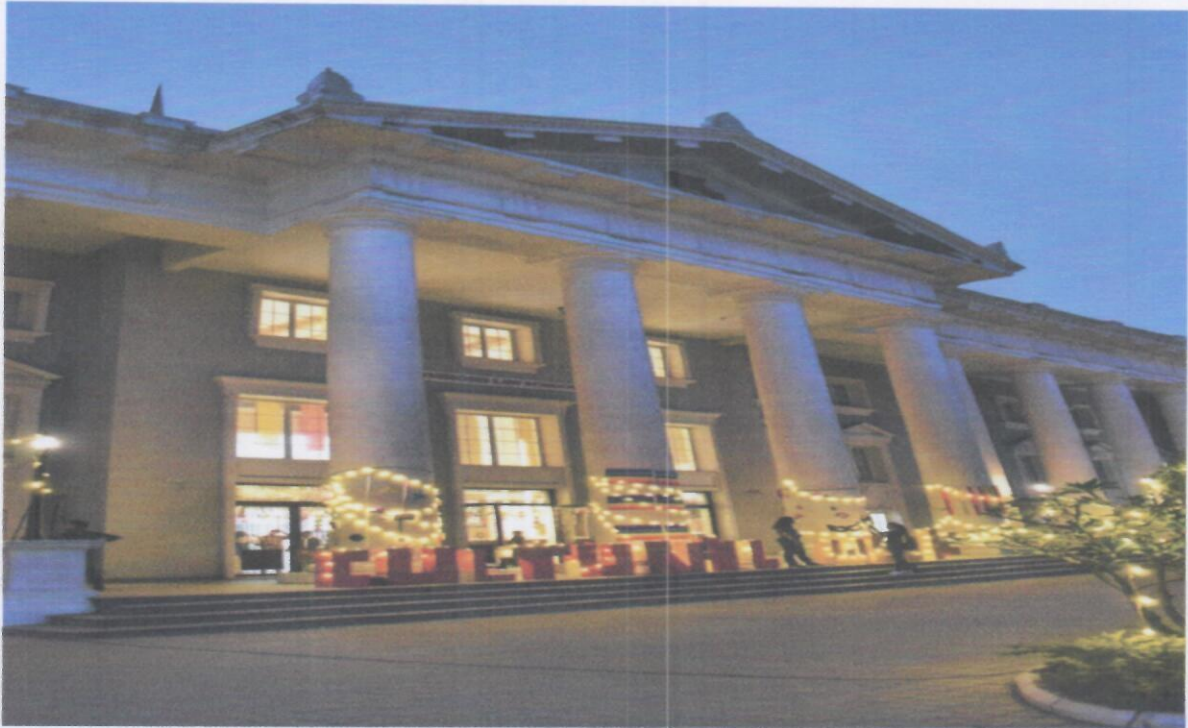

A day of mystery and revelry and lots of dance and fun, **day 3** celebrated the 'Masquerade' theme. Everyone with glittery masks and western dresses was a cherry on top. A platform for the students to showcase their dancing and singing skills along with poetries and shayaris, the whole day was dedicated to the events of solo and group dancing, solo and duo singing, open mic and Line art for giving a creative touch to the day. Day 3 ended with lots of hooting, cheering and remarkable performances.

Celebrations never stop, last but not the least, we had our very own **Traditional theme** saved for the last day. It is important to keep a root relationship between our traditions, cultures, and oneself. The day started with a rangoli competition with students crating the most beautiful designs with colours and even flowers, along with which we had a creative writing competition with the theme "MY UNDERSTANDING OF THE INDIAN CULTURE" . The final day of the cultural week, came to an end with a hit ramp walk event with students walking with utmost elegance and poses.

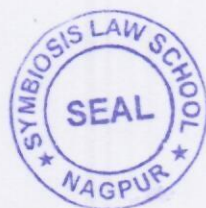

The cultural cell worked under the personal guidance of Dr. Sukhvinder Singh Dari, who provided the platform for the cell to come forward and organize such a grand event. Dr.. Nuzhat Rizvi, In-charge Cultural Cell coordinated the events and extended support and assistance with ideas and their implementations. Ms Sneha Meshram , Co In charge too worked with the cultural committee . Student coordinator, Vineet Sinha along with the committee members and volunteers worked to make the event a successful one.

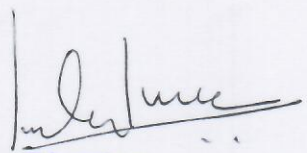

Glimpses of the Cultural Week Celebrations
