Symbiosis Law School, Nagpur Organized International Lecture Series

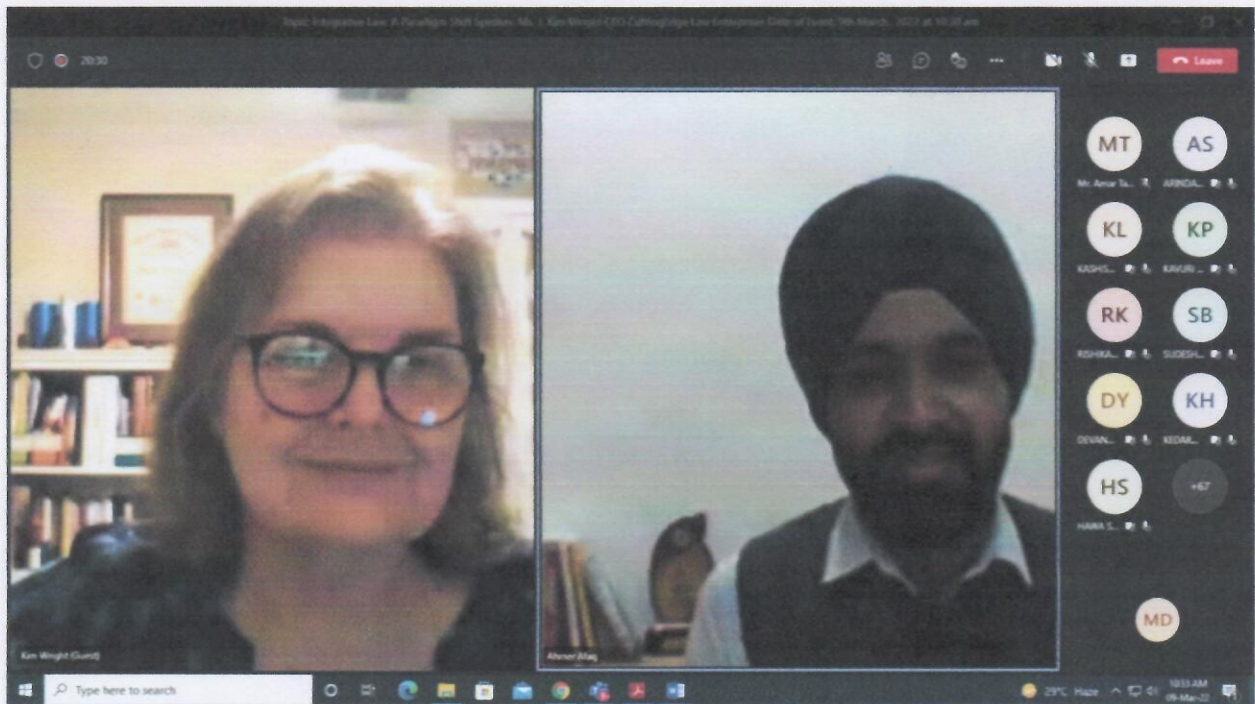

Symbiosis Law School, Nagpur organized a Guest Lecture of Ms. J. Kim Wright, CEO, CuttingEdge Law Enterprises, USA on the topic "**Integrative Law: A Paradigm Shift**" on March 09, 2022 as a part of International Lecture Series.

Dr. Sukhvinder Singh Dari, Director at SLS, Nagpur welcomed the Guest and thanked Ms. Kim for considering our invitation and agreeing to deliver a lecture on such an important issue. The session was moderated by **Prof. Ahmar Afaq**.

Ms. Kim highlighting on the need to have more integrative lawyers pointed that they reflect on their motivations, their purposes, and the human condition. They bring those reflective skills to their work, and the world around them. They reflect as individuals and together, seeking a world that works for all. Integrative Lawyers tend to bring their whole selves (body, mind, soul, and emotions) to work together to create a better legal system. This is a group that likes personal growth and is spiritually curious.

She stated that Integrative Lawyers often have an experience of the interconnectedness of all things. They believe they are part of a system where each person has the power to make a difference. They recognize that society is becoming more complex and that it is necessary to embrace the complexity while seeking to make the law understandable and workable. Many of us are on a quest to find the pivot points where small change can lead to big shifts. We realize that there are many stakeholders in every conflict. We see that collaboration and cooperation are more workable than divisiveness and polarization. Integrative Lawyers default to collaborative approaches to problems, but are not afraid to take stands. We understand that full self-expression can lead to conflict, and that, when approached consciously, can be prevented or resolved in ways that are productive and preserve the relationships between all stakeholders.

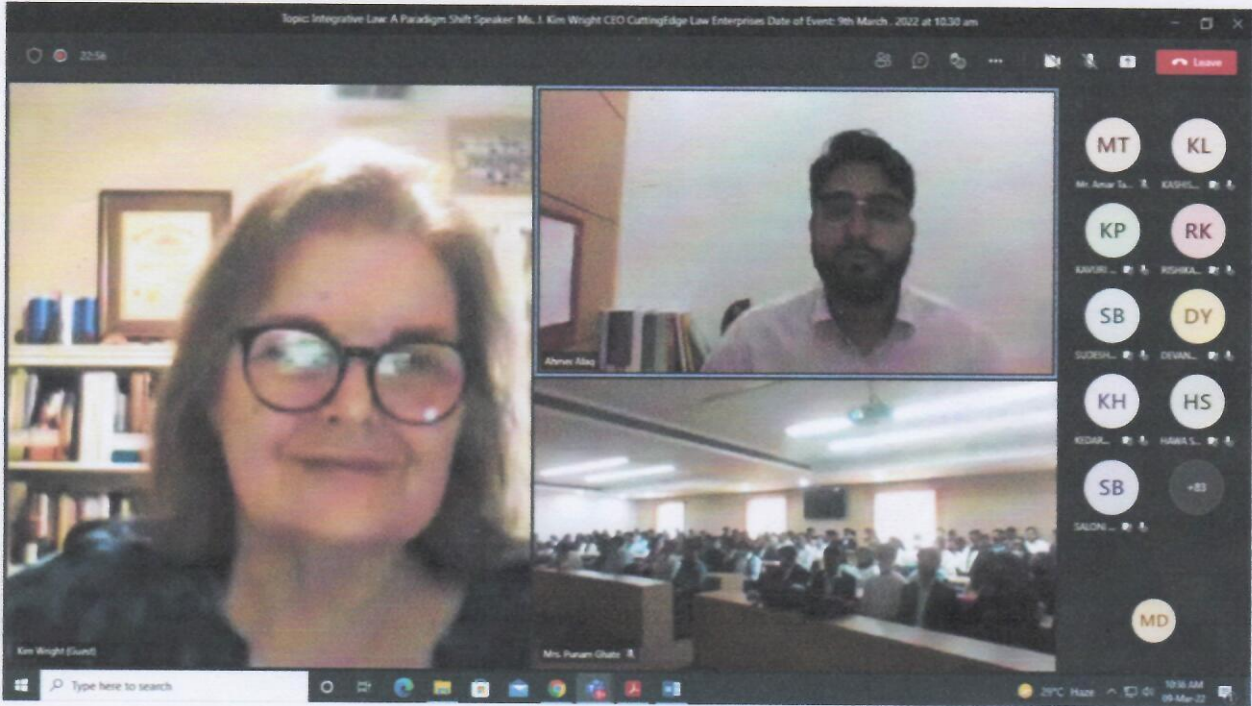

The Session proved to be an excellent learning platform for Law students across the country with a participation of more than **150+ attendees**. The session was followed by the very exhilarating and captivating Question & Answer session.

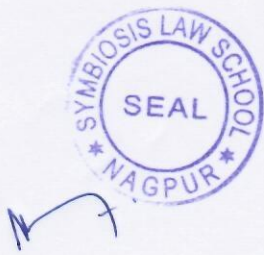

Dr. Sukhvinder Singh Dari of SLS, Nagpur welcomed the Guest

Ms. Kim while addressing the students.
