About Symbiosis Law School Nagpur

Nurtured by the visionary ideas of Dr. S.B. Mujumdar, Chancellor, Symbiosis International (Deemed University), Pune on the principles of vedic thought 'Vasudhaiva Kutumbakam' which means 'World is One Family', Symbiosis Law School (SLS) Nagpur is established in 2019 inheriting splendid novelty, dynamism and excellence in education. Being a constituent of Symbiosis International University, Pune, Symbiosis Law School, NAGPUR is strategically located in the potential education hub of Maharashtra thereby offering multitude of opportunities for the budding lawyers. Harping on the rich legacy of both Bar and Bench, SLS Nagpur promises to be one of the finest destinations for imparting legal education in central India. Nagpur, popularly known as the Orange City of India is located at the exact center of the Indian peninsula and is been identified as the best city in India topping in livability, greenery, public transport, and health care indices. SLS Nagpur has the "State of Art Infrastructure" with remarkable facilities for its students. The pollution free premises of SLS Nagpur have abundant of open space and an impressive array of academic, sports and cultural facilities. SLS, Nagpur offers two integrated undergraduate Five years law courses in Bachelor of Arts and Bachelor of Laws (B.A. LL.B) and Bachelor of Business Administration and Bachelor of Laws (B.B.A. LL.B.) to cater to diverse needs of the legal profession. These are imparted through well qualified, experienced and enthusiastic faculty, techno-driven research culture, Internationalization, centers of excellence, training and skill enhancement programmes, moot courts etc. The curricular enrichment is ensured with the involvement of judges, eminent lawyers, International jurists, academicians, industry experts etc. and best practices are reflected in teaching-learning pedagogy. SLS, Nagpur under the leadership of Dr. Sukhvinder Singh Dari, believes in holistic development of nascent legal minds and ensures learning beyond classroom by planning field visits and workshops in collaboration with various stake holder and NGOs. We provide a conducive and competitive learning environment by encouraging our students to take part in national and International competitions. We are committed to contribute to the justice mission of the state by initiating pro-bono activities to help poor and marginalized people through community lawyering, legal aid camps and permanent legal aid clinics. Further, we endeavor to create value conscious skilled lawyers with par excellence serving dynamic needs of the community through Bar and Bench.

Concept Note

The nexus of Artificial Intelligence (AI), Technology, and Law has emerged as a crucial focus point with broad societal ramifications in the age of fast technological growth. The pace at which AI and technology are disrupting businesses, economies, and daily life is unprecedented, and the legal system is still adjusting to the complexities and difficulties these developments bring. By examining the symbiotic relationship between innovation and regulation, the National Conference on Artificial Intelligence, Technology, and Law, 2024 seeks to delve deeply into this dynamic confluence.

Objectives of the Conference

- **Fostering Academic Understanding:** To promote a thorough comprehension of the most recent AI technology developments, their applications across industries, and the legal difficulties they present.
- **Legal Frameworks and Ethics:** To talk about the creation of strong legal frameworks, moral standards, and governance frameworks that will allow us to fully utilize the potential of AI and technology while preserving our values and interests as individuals.
- **Interdisciplinary Dialogue:** To encourage interdisciplinary cooperation among engineers, legal professionals, policymakers, academicians, and business leaders in order to address the challenging issues at hand.
- **Best Practices and Case Studies:** To highlight best practices, case studies, and successful use-cases that demonstrate how AI, technology, and law are harmoniously incorporated.
- **Best Practices and Case Studies:** To highlight best practices, case studies, and successful use-cases that demonstrate how AI, technology, and law are harmoniously incorporated.
- Formulate policy suggestions that harmonize technological advancement with legal frameworks to ensure ethical and responsible technological adoption.

Theme of the Conference

"Impact of Artificial Intelligence and Technological Advancements on the Justice Delivery System in India"

Sub-themes of the Conference
