Mooting is an integral part of the life cycle of a Law student. Participating in Moot Court Competitions benefits students in more ways than one. It inculcates in them excellent advocacy skills as they learn the art of argument. It also makes them acquainted with the ways of legal drafting. Understanding court room mannerisms and etiquettes, learning to present a case within a limited time, understanding and answering judge's queries etc. are some of the other things that a Mooter learns. Therefore, Mooting has become a fundamental part of Legal education in today's time.
