### **Report on**

### **Discussion on Significance of Constituent Assembly Debates in Constitutional Interpretation**

**25<sup>th</sup> August 2023**

The Symbiosis Centre for Competitive Examination (SCCE) orchestrated an enlightening discussion on the subject of "Significance of Constituent Assembly Debates in Constitutional Interpretation." This event took place on the 25th of August 2023 in Room No. 105 at the Symbiosis Law School, Nagpur, starting at 03:00 PM. The primary aim of this discourse was to dissect the vital role played by Constituent Assembly debates in shaping the interpretation of the Constitution. By delving into these debates, participants aimed to gain insight into the intentions and mindsets that underpin each constitutional article's inclusion.

The commencement of the discussion featured a concise overview of the Constituent Assembly, presented by Ms. Pragya Sinha, a student of 3<sup>rd</sup> semester and member of SCCE at SLS Nagpur. Subsequently, Assistant Professor Parth Sharma, Faculty In-charge of SCCE steered the discourse, elucidating its objectives to the participants. He also underscored the relevance and significance of the topic, contextualizing the historical and societal backdrop against which the Constitution was conceptualized and adopted.

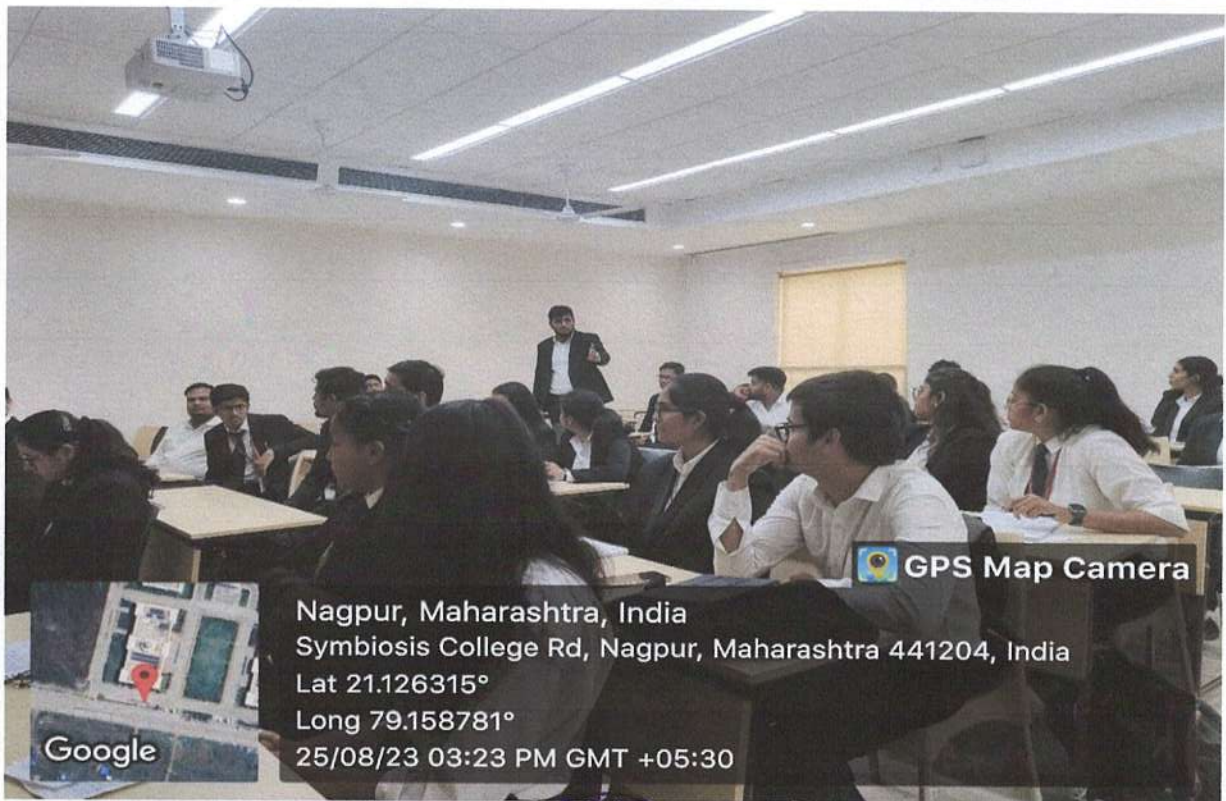

As the discussion evolved, the participants actively engaged, spanning a wide array of topics from the inception of the Constituent Assembly to the enduring relevance of its debates in constitutional interpretation. The platform provided an inclusive space for all participants to contribute their thoughts and ideas. Central to the discussion was the pivotal role the Constituent Assembly played in the creation and ratification of a nation's fundamental rights. This process carried immense importance, as it facilitated the integration of diverse perspectives, thereby

ensuring that the Constitution embodied the values, aspirations, and interests of every citizen. The resultant Constitution then formed the bedrock for governance, rights, and institutions, fundamentally shaping the nation's identity and trajectory for the years ahead. In essence, the Constituent Assembly's role was instrumental in sculpting the contemporary constitution.

A formal expression of gratitude marked the culmination of the event, with Ms. Garima Mishra, a 3<sup>rd</sup> semester student and member of SCCE at SLS Nagpur, acknowledging the active participation of all attendees. She highlighted their dedicated engagement with the Constituent Assembly debates and their subsequent relevance in interpreting the current constitution.

In essence, this discussion stood as a remarkable learning opportunity for the students, enabling them to broaden their horizons when interpreting legal provisions with a more comprehensive perspective. Guided by the capable direction of our Director, Dr. Sukhvinder Singh Dari, the event's organization was a resounding success, promising to be a valuable experience for all participants involved.
