### **LECTURE SERIES ON ADVOCACY SKILLS - LECTURE ON DATA PROTECTION UNDER IT ACT: PROCEDURE FOR CIVIL REMEDY**

**03<sup>rd</sup> SEPTEMBER 2022**

Symbiosis Law School, Nagpur has started with a lecture series on Advocacy Skills in which Adv. Mahendra Limaye, Cyber Lawyer, Certified Global Data Privacy Consultant, graced the event and addressed the topic 'Data Protection under IT Act: Procedure for Civil Remedy ' on 03<sup>rd</sup> September, 2022 at Assembly Hall.

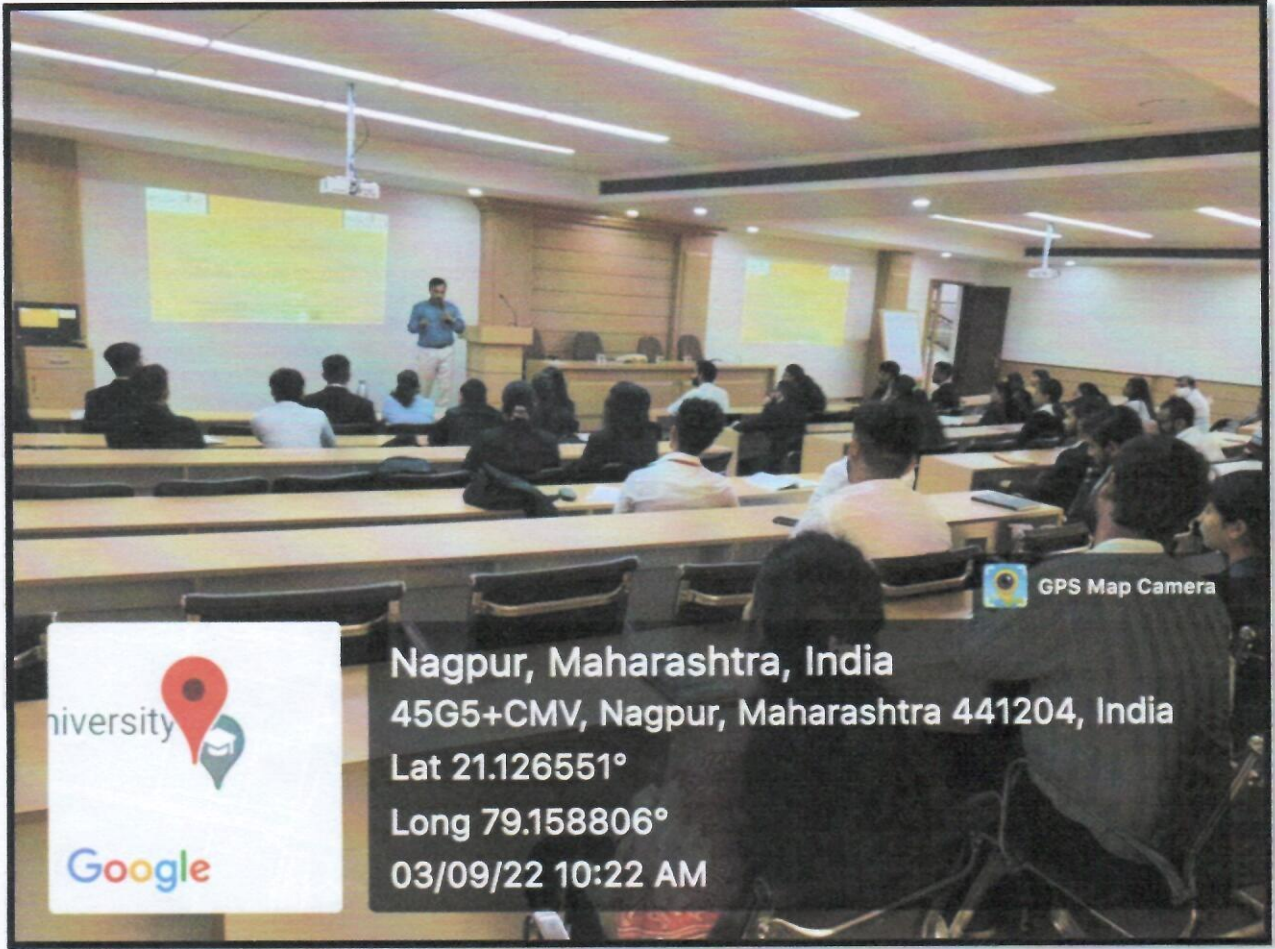

Mahendra Limaye has made a mammoth impact in the emerging areas of Cyber law and laws related to E-Commerce through his various write-ups in various National dailies. His inexhaustible effort in the fields of Cyber Laws and Cyber Security has earned him the reputation of an expert in the Cyberspace. Mahendra Limaye is self-motivated legal professional with hands on experience in advising/arguing Cyber Crime cases involving Data Theft, Source Code Theft, Denial of Service, Net Banking Frauds, Credit Card Frauds, Cyber Defamation, Obscene Content, Intermediary issues, Removal of defamatory contents etc. He has a deep conceptual understanding and implementation experience in Computer security, Operating systems, networking, e-commerce, Intellectual Property Rights and Net Banking.

Dr. Sukhvinder Singh Dari, Director, SLS, Nagpur extended a warm welcome to the guest speaker. He stressed the significance of data protection and the pressing need for data protection regulations in India during his welcoming speech. Adv. Limaye in his speech highlighted the data privacy laws in India, data privacy policy, and discussed the about WhatsApp, Facebook, and other social media and applications where the data is processed and mined without the knowledge of the user, he explained how these applications collect, use, share, retain and transfer data information with the help of cookies. He explained why protecting our data on internet is so important and further

elaborated on how the judgement of Puttaswamy Case pressed on the Right to Privacy which can help us as the citizens of India to protect our data with the help of government involving in it. He told us about the unique features of Personal Data Protection Bill 2018.

The Guest speaker appreciated the enthusiasm and interest of the students. The session ended with the vote of thanks which was proposed by Sneha Bansal, a member of SCASL and Student of SLS-Nagpur. It was an overall fruitful and resourceful session in the form of a Lecture series which received a huge response and wonderful feedback from the students of SLS Nagpur.. The event was conducted under the supervision of Dr. Deepti Khubalkar, the faculty in charge of the event. Members of the cell worked hard for the success of the event.
