Legal Literacy and Institutional Social Responsibility (ISR) Activity

The pro bono club, Legal Aid Centre of Symbiosis Law School, Nagpur places a strong emphasis on institutional social responsibility. The institution believe that we have a responsibility to do more than merely convey knowledge and skills to the students. Through a variety of initiatives that consider both its own competitive interests and the well-being of society, Symbiosis engages its students in these activities as an active volunteer to foster a culture of social responsibility in society. In such efforts, one more addition to these activities is ISR community services and legal literacy/aid services which was conducted at Tirodi Village on 7/1/2023.

During the interaction with the people, it was found that residents in the area are facing problems of water supply. There are no roads, pipelines, or gutters. There is no proper water supply system. A hand pump is used to give water to the population. In order to alleviate the problems local residents were experiencing, it was requested to the elected area corporator that the systematic water supply system, road construction, and gutter line/drainage system in the area be regulated. Further, with respect to spread awareness about the scheme of Government for promotion of Menstrual hygiene among adolescent girls, sanitary napkins were distributed in the slum area. They were made aware about the health security and Pradhan Mantri Bhartiya Janasudhi Pariyojna.

Members of Legal Aid Centre and Pro Bono Club at Symbiosis Law School, Nagpur attended the activity with enthusiasm and zeal under the guidance of Dr. Sukhvinder Singh Dari, Director, Symbiosis Law School, Nagpur and Dr. Deepti Khubalkar, Faculty and in charge, Pro bono Club, Symbiosis Law school, Nagpur.
