### **SLS Nagpur MUN 2024: A Convergence of Intellect and Diplomacy 27<sup>th</sup> and 28<sup>th</sup> January 2024**

The Symbiosis Law School Nagpur witnessed a remarkable intellectual extravaganza as The Debate and Literary Cell, in collaboration with the Symbiosis Centre for Legal and Business Conference, orchestrated the Model United Nations (MUN) 2024 on January 27<sup>th</sup> and 28<sup>th</sup>, 2024. This two-day event, spearheaded by the esteemed director, Dr. Sukhvinder Singh Dari, showcased the fusion of legal acumen and business foresight, creating an unparalleled platform for students to engage in diplomacy, critical thinking, and problem-solving.

The Debate and Literary Cell and Symbiosis Centre for Legal and Business Conference, renowned for its commitment to fostering creative expression and intellectual prowess, curated an event that not only simulated the workings of the United Nations but also delved into contemporary legal and business dilemmas. Under the able guidance of Dr. Nuzhat Fatima Rizvi and Prof. Nuvita Kalra, respective faculty in charges, the cell has consistently nurtured talent and innovation, epitomizing excellence in academic discourse.

With a focus on amalgamating law and business, the event featured three distinct committees: The Chamber of Commerce (COC), the Legal Committee, and the United Nations Security Council (UNSC). Each committee tackled pressing issues pertinent to the contemporary global landscape, fostering lively debates and insightful resolutions.

The COC, convened under the theme "**Rise of Artificial Intelligence: An Ally or Adversary,**" provided delegates with a platform to explore the intricate nexus between business dynamics and legal frameworks. Led by Dev Kyawal, the committee delved into the complexities of technological advancement and its impact on the global economy, fostering a productive exchange of ideas.

The Legal Committee, chaired by Akshay Jain, navigated the ethical and legal dimensions of genetic engineering with the agenda "**Legality and Ethics of Genetic Engineering.**" Students engaged in rigorous deliberations, honing their understanding of international law and socio-legal

issues, while cultivating unique perspectives on ethical dilemmas in the realm of science and technology.

The UNSC, spearheaded by Varad Dorlikar, undertook the imperative task of **"Examining the Need for Cessation of Nuclear Arms Race to Prevent Unilateral Dominance."** With a focus on global security and diplomacy, delegates grappled with the complexities of nuclear proliferation, emphasizing the need for collective action and diplomatic dialogue to mitigate global risks.

The inaugural ceremony, marked by grandeur and enthusiasm, was hosted by Shivangi Kurup and Ayesha Aslam. The Faculty In-charges Dr Nuzhat Fatima Rizvi and Prof. Nuvita Kalra, declared the event open and this set the tone for two days of rigorous deliberation and intellectual exchange. Delegates and chairs immersed themselves in discussions, fueled by a spirit of collaboration and diplomacy. Amidst sessions punctuated by sumptuous meals and social camaraderie, participants gleaned invaluable insights and experiences, enriching their understanding of global affairs and diplomatic negotiations. This was followed by a grand social night which witnessed a live band orchestra, dance, music and food.

As the event drew to a close, the closing ceremony, hosted by Ananya Kshatriya and Varsha Yadav, served as a testament to the success of SLS Nagpur MUN 2024.

The event concluded with a prize distribution ceremony in the presence of the Director, Dr. Sukhvinder Singh Dari. In his address, the Director congratulated the participants for their efforts and motivated them for collaborative learning and evolving in their academic journey.
