REPORT ON PORTFOLIO PURSUIT

HELD ON 17th MARCH, 2023

PORTFOLIO PURSUIT was organised on 17th March, 2023 at Symbiosis Law School, Nagpur in the college premises. This event was organized under CENTER FOR ACADEMIC LEADERSHIP AND MANAGEMENT (CALM), of SLS, Nagpur. The event was exclusively organized for the students on campus from all the semesters of B.A.LL.B., B.B.A. LL.B. and LL.M.

After the grand success of the event Symplify 2023, many students had requested the CALM Hub to come up with a more innovative and an interesting event. With further discussions and meetings with the members it was decided to organise PORTFOLIO PURSUIT 2023 taking into consideration that this Hub always believes in activity based learning / events. Many students do their trading online using different websites and mobile apps.

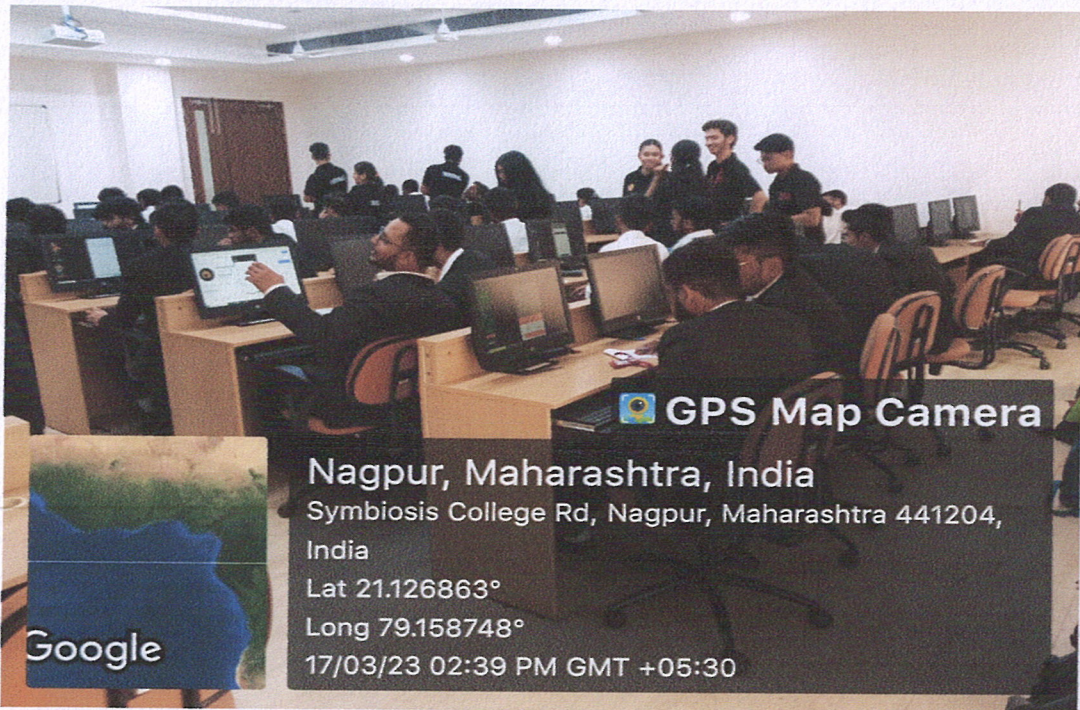

Taking a clue from the interest of these students the Hub came up with the idea of organising this event which was executed on 17/03/2023. A lot of preparation was required including setting up of the IT Lab for the participants, the designing of the flyer and of course the google form for the registration.

The flyer was approved and posted on the social media for mass appeal and promotion of the event. The flyers also were put up on different notice boards in the institute and the members of the Hub had also visited all the classrooms to do an in house promotion of the event. This gave a very good and a positive response from the participants that the registrations had to be closed in a record time of 35 minutes from the start of the registration process.

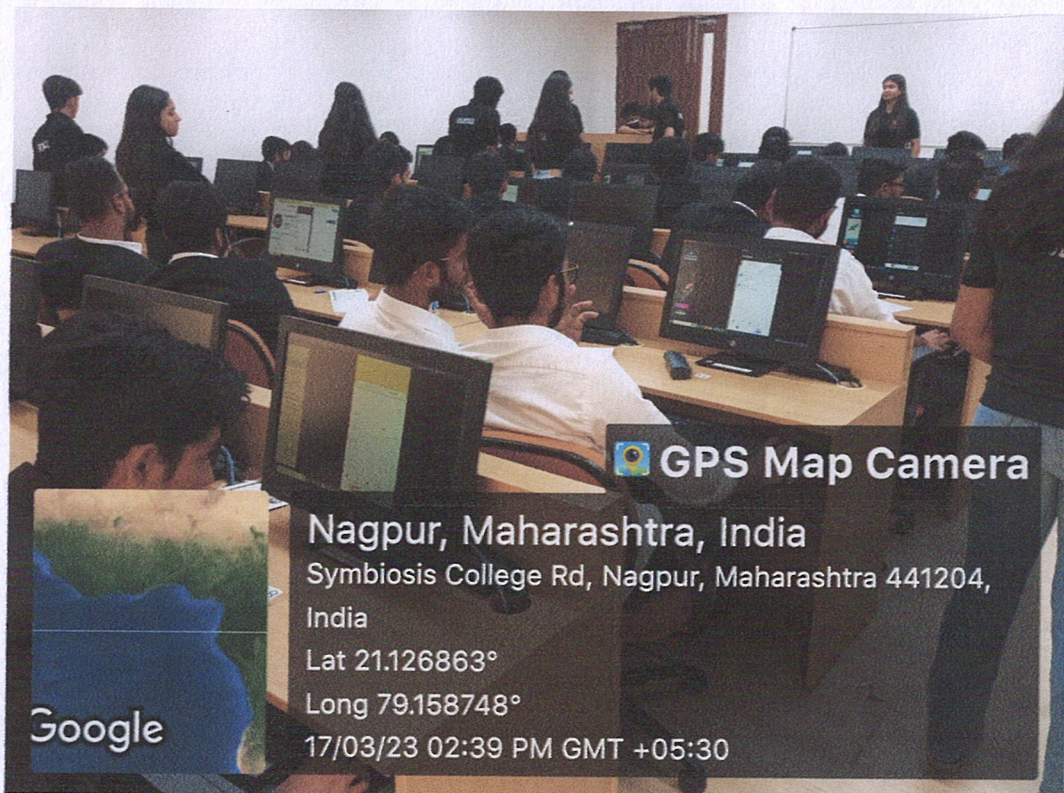

Dr. Nikhil Polke was the event in charge. The event was planned well in advance by the student organizers who made all the extensive preparations – for the smooth conduct of the event; as this was an eagerly awaited and anticipated event. Mr. Neel Gokhale and Ms. Rohini Singh; both students from Sem VI (BBA LLB) of SLS, Nagpur - spearheaded the entire event along the other CALM Hub team members.

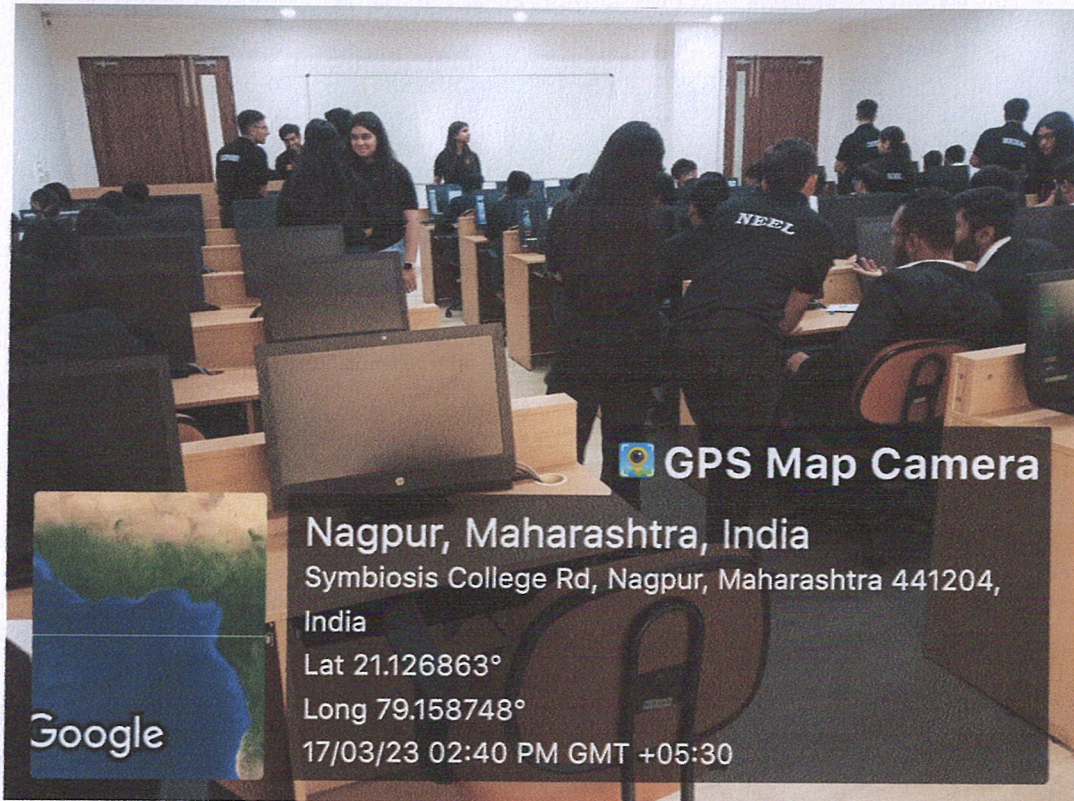

The PORTFOLIO PURSUIT was a game stimulus where the students had to trade their stocks during the opening and closing bell of the stock market. This event received a good response from the students. In total there were twenty-four teams who participated for this event. This was conducted in the IT Lab of the institute.

The two winning teams for this event will be awarded trophies and certificates and the other teams will be awarded participation certificates in soft copy.
