## REPORT

### WORKSHOP ON MEMORIAL DRAFTING

16/09/2023

Symbiosis Law School, Nagpur conducted a workshop on Memorial Drafting on 16th September, 2023. The workshop was exclusively for the 1st year students to equip them with the necessary skills required to draft a memorial. The workshop was conducted by Raghav Pareek, a 5th year student and a member of the Moot Court Association. The workshop aimed to enhance the legal research and advocacy skills of the students, focusing on the preparation of written submissions for moot court competitions.

The primary objectives of the workshop were to brief the students of the fundamentals of drafting persuasive legal memorials, to provide practical guidance on conducting legal research and citing legal authorities effectively, to enhance the students' understanding of the structure and content of memorials and to improve written advocacy skills in the context of moot court competitions and legal practice. The topics covered in the session were introduction to memorial drafting, legal research techniques, citation and referencing guidelines, structure and content of memorials, tips for oral advocacy and presentation and importance of developing the skill of memorial drafting. The workshop was highly valuable and insightful as the students received useful advice and guidance.

The Memorial Drafting Workshop conducted was a resounding success, equipping students with essential skills for legal research and written advocacy. The positive feedback received underscores the workshop's effectiveness in achieving its objectives. In furtherance of the positive feedback, future workshops are poised to further enhance the legal education and practical skills development of students as Symbiosis Law School, Nagpur remains committed to providing high-quality legal education and training opportunities to foster the growth of legal professionals.
