Report on Swachata Drive in Symbiosis, Nagpur

Date: October 1, 2023

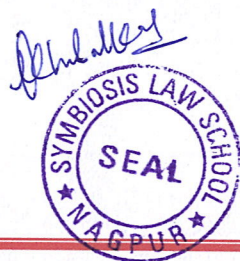

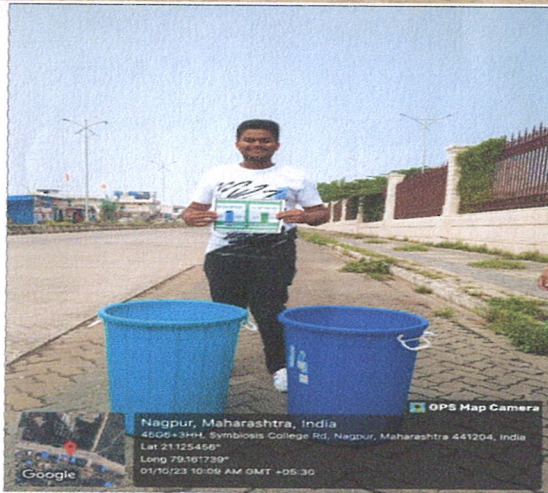

Swachh Bharat Abhiyan "Ek Tareekh Ek Ghanta"

On October 1, 2023, the students of Symbiosis Law School, Nagpur, enthusiastically participated in a Swachata Drive as part of the government's "One Hour for Cleanliness" campaign. The event took place between 10:00 a.m. and 11:30 a.m. and aimed to promote cleanliness in the surrounding area while also spreading awareness about the importance of a clean environment.

The participants actively involved in cleaning the nearby areas, including streets, and public spaces. They picked up litter, swept the streets, and disposed of waste responsibly in designated bins. The collective effort resulted in a visibly cleaner environment.

In addition to the cleaning activities, the students also took the initiative to distribute pamphlets emphasizing the importance of cleanliness and proper waste disposal. These pamphlets contained information about the adverse effects of littering and the benefits of maintaining a clean environment.

The Swachhata Drive made a significant impact on the local community and the participants themselves. It underscored the importance of collective action in maintaining a clean and healthy environment. Through the distribution of pamphlets and awareness sessions, it succeeded in educating people about their role in preserving cleanliness. Also, the event aligns perfectly with the government's "One Hour for Cleanliness" campaign, demonstrating the commitment of educational institutions like Symbiosis Law School to support and participate in initiatives aimed at creating a cleaner and greener India. The students were motivated and guided by Dr. Sukhvinder Singh Dari, Director, Symbiosis Law School, Nagpur.
