Constituent of Symbiosis International (DEEMED UNIVERSITY), Pune

Re-accredited by NAAC with "A++" – Awarded Category – I by UGC

Founder: Dr. S.B. Mujumdar, M.Sc. Ph.D.

REPORT

SYMPLIFY 2023

17th – 18th February 2023

A college fest brings together all the students and serves as a day of joy and enjoyment. It creates a vivid, vibrant and colourful atmosphere. The objective of the event was to promote holistic development of the students and to provide a platform to them to showcase their skills.

With the aforementioned points kept in mind, Symbiosis Law School, Nagpur organised the Intra fest named as "Symplify" 2023 – an event organized by the collaboration between Cultural Cell and CALM Hub, in association with the student council. "Symplify" 2023 was a two days' event, held to break the academic monotony and inculcate extra - curricular activities. "Symplify" was aimed at helping the students unwind and have a couple of days of fun and frolic.

The event helped students learn from each other and gave them a platform to connect with each other. No event is complete without food and drinks and therefore arrangements with respect to that were also made.

Day 1

Day 1 of "SYMPLIFY" involved cultural activities as well as a movie screening. The theme for the day was "cinema". The audience were taken through the event wonderfully, by the wonderful hosts. After the opening ceremony, the competitions began. The events included dance – solo and group, singing – solo and group, stand-up comedy, mono acting, poetry amongst other cultural activities.

We concluded the bunch of competitions with group dancing. Seeing such amazing dancers perform in groups and dancing in such wonderful rhythm and tandem did make our jaws drop. The participants definitely lit the stage up and gave the audience a chance to cheer at the top of their lungs.

The cultural competitions were followed by a special night for the students which involved screening of a movie.

Before we get into the depths of the movie, when you watch a movie, you always need refreshments, food and drinks. In furtherance of the same, a trade fair was organised. The trade fair included numerous stalls which had a variety of food and drinks which definitely brought a huge smile on the audience's faces. The people organizing the trade fair had a great time as well, especially looking at the great number of sales. The movie screened was '*Zindagi Na Milegi Dobara*', an all-time favourite. The movie screening started at 7:15 pm and the entire

audience was engrossed. No one left their seats and had a great time. The whistles, smiles and laughter were an indication that everyone had a blast! With that, Day 1 was concluded.

Day 2

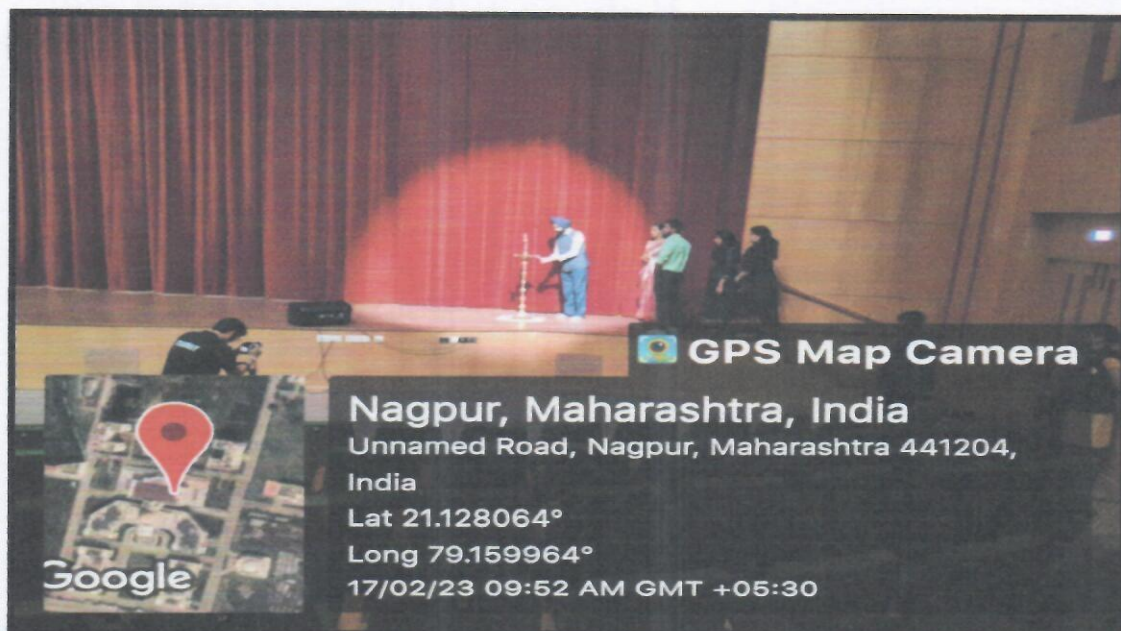

The theme for the second day was 'Mismatch'. It started with Brand – O – Meter, an event organized by the CALM Hub. It was aimed at promoting marketing and entrepreneurship skills. It took place in the Moot Court Hall. There were numerous participants and each of them had a different yet amazing way of presentation. The participants and audience definitely did learn a lot from that competition.

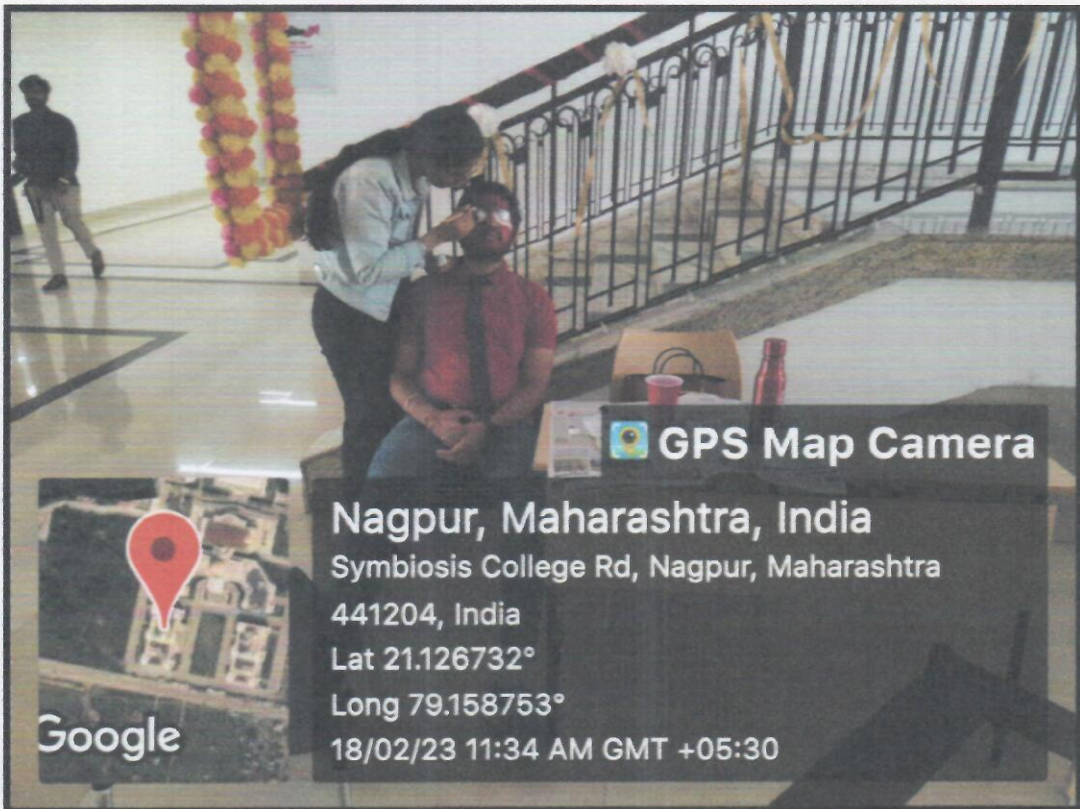

While Brand – O – Meter was going on, simultaneously a face painting competition was organised. In that, the artist had to bring along with themselves a friend, whose face they would paint. The competition served as a wonderful means to display one's artistic skills.

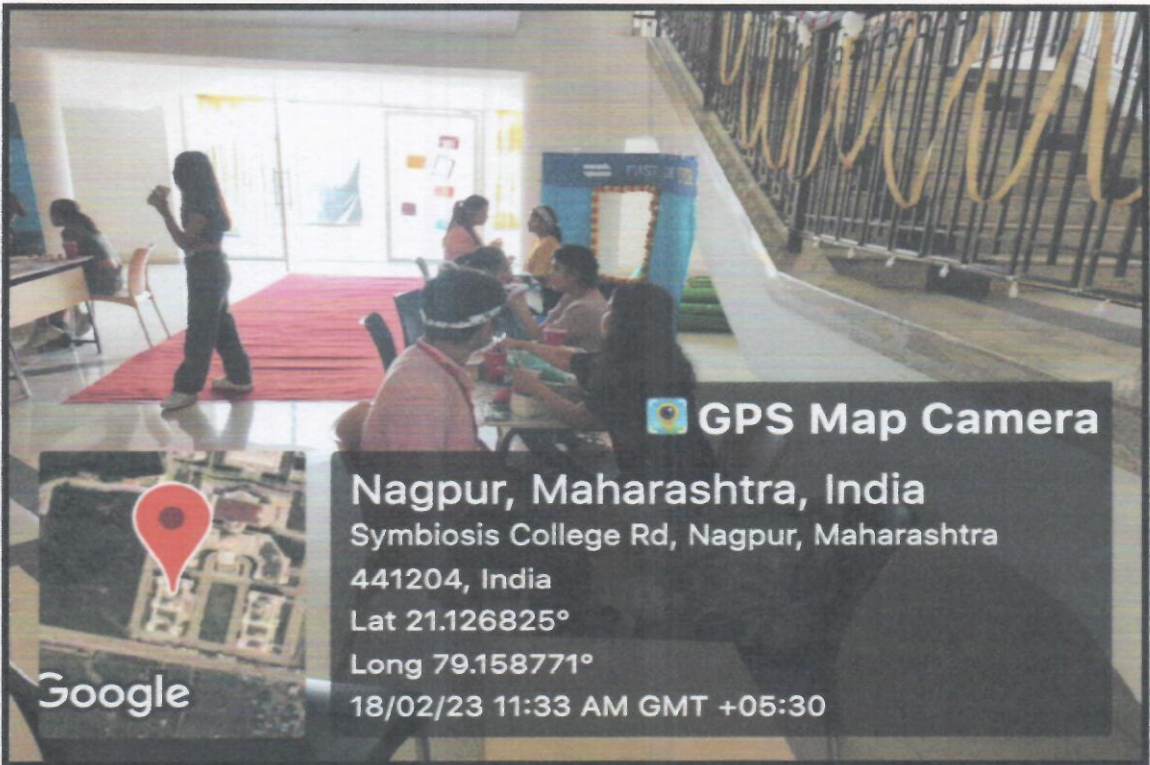

The final competition of "Simplify" was treasure hunt. There were 10 teams participating, each given clues in different positions, leading to a common victory point. This competition was definitely fun filled but it also tested the thinking capacity of the participants. Overall, it was a mixture of both fun and logic.

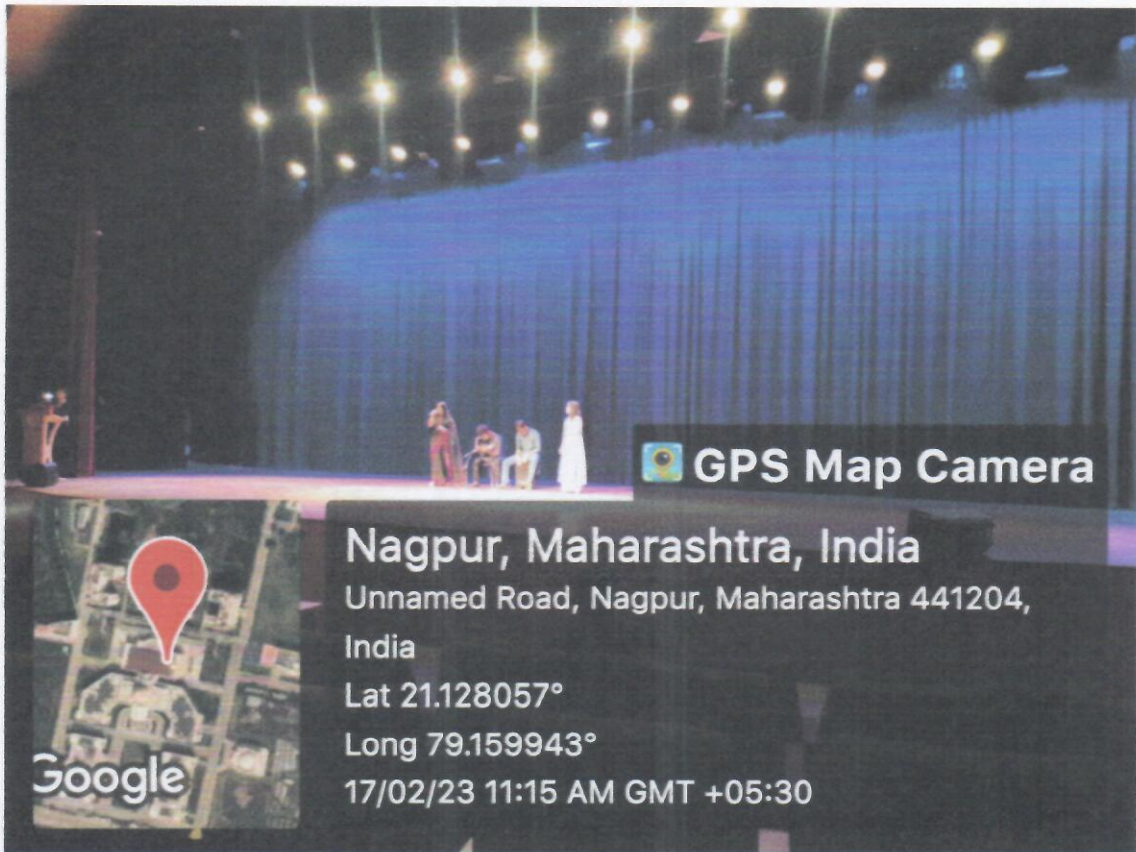

While the trade fairs continued to day 2, it was planned on ending this amazing event with a DJ night. The audience gathered in large numbers and danced their heart out. This definitely served as a means for the students to unwind and have a great time.

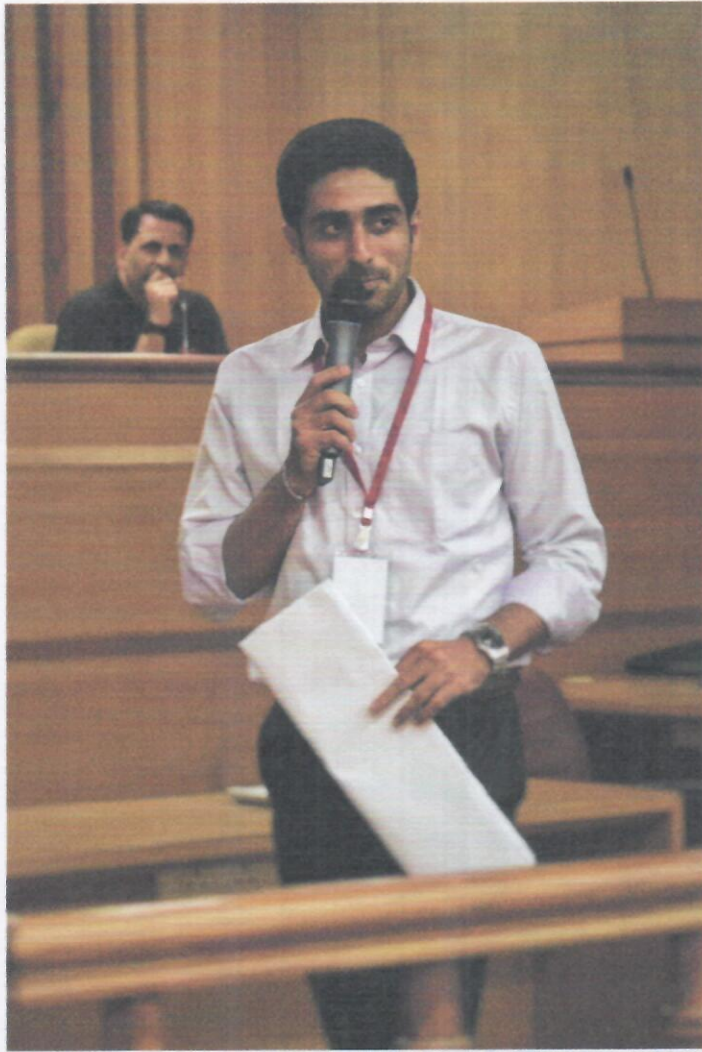

To conclude we can say that simplify was a huge success and was definitely an event the students needed. "Simplify" not only acted as a means of fun and joy but was also a display of amazing skill and talent.
