Established under Section 3 of the UGC Act 1956

Re-accredited by NAAC with Grade "A++"– Awarded Category – I by UGC

The Student Council of Symbiosis Law School, Nagpur embarked on its first initiative: a cleanliness drive on an auspicious day of Gandhi Jayanti (2nd Oct., 2023).

Taking inspiration from his ideals, the Student Council decided that this was the perfect occasion to begin with while paying homage to the Father of the Nation. The Student Council believes that a cleaner environment could instill a sense of pride, leading to a more vibrant and engaged student community. Students were divided into teams, each assigned to a particular zone. The cleanliness team of the college supported us with the necessary things required for cleaning such as brooms, garbage bags, dustpan and gloves. With the help of these things the Student Council under the constant guidance of Director sir, Dr. Sukhvinder Singh Dari sir and faculty advisor Prof. Ahmar Afaq sir began with the cleanliness drive and cleaned the surrounding area near the law school. Director Sir also got engaged along with the students while cleaning the surroundings. The law school was teeming with the energy and enthusiasm to clean the surroundings. The students assembled early in the morning, the President of the Council addressed the crowd, reminding everyone of Gandhi's belief that 'Sanitation is more important than independence'.

With their tools in hand, the students set out. They worked relentlessly, sweeping the surroundings, picking up the trash and collecting it in the garbage bag. It wasn't just about cleaning the area but it was about transforming the area. The student's enthusiasm was contagious. Streets that were previously littered were now gleaming. The sight was heartwarming, and it became evident that the initiative had achieved more than just physical cleanliness. It had fostered a sense of community, unity, and pride among the students. The drive concluded with a refreshment provided by the institute to each one of them who participated in the cleanliness drive. Reflecting on the day, the student council vice president remarked "Today, we didn't just clean the streets and surroundings near law school but we laid the foundation for a cleaner future. This is just the beginning."

In retrospect, the cleanliness drive on Gandhi Jayanti was more than just a one-day event. It was a statement. It showcased the power of youth, the importance of community involvement, and the profound impact a group of dedicated individuals could have on their environment.

The student council's initiative was not just about picking up trash. It was about upholding the values that a law school stands for: justice, service, and responsibility. By honoring Gandhi's legacy through their actions, the students demonstrated that while laws can guide behavior, it is the collective spirit of a community that truly brings about change.

Lastly, we would just like to thank Director Sir Dr. Sukhvinder Singh Dari sir, faculty advisor Ahmar Afaq Sir and all the Other Faculty Members for being torch bearer and for their unwavering support for the event.
