The Interaction with the Chairperson of Lokpal Institution:

Hon'ble Justice Shri Pinaki Chandra Ghose

12th September, 2022

In continuation to its commitment to provide students with holistic development and by channeling our respected Director Sir's advice, **Symbiosis Law School, Nagpur** organized an Interaction with the Chairperson of Lokpal Institution, in which the students were exposed to the idea of who Lokpal and Lokayuktas are, and their mode of working.

Lordship Pinaki Chandra Ghose, former Supreme Court Judge and the first Lokpal of the country visited the campus and had an interactive session with the third year students. The third year students being taught administrative law in their current semester, were well versed with principles and theories of administration. They had prepared questions on the functioning of the Lokpal, Lordship's experience as the first Lokpal, and other similar avenues.

The session began with the moderator greeting the participants and the guest speaker for the interaction session. It was then followed by **Dr. Shilpa Sharma**, Assistant Professor at Symbiosis Law School, Nagpur, delivering the welcome speech for the guest speaker Hon'ble Justice Shri Pinaki Chandra Ghose.

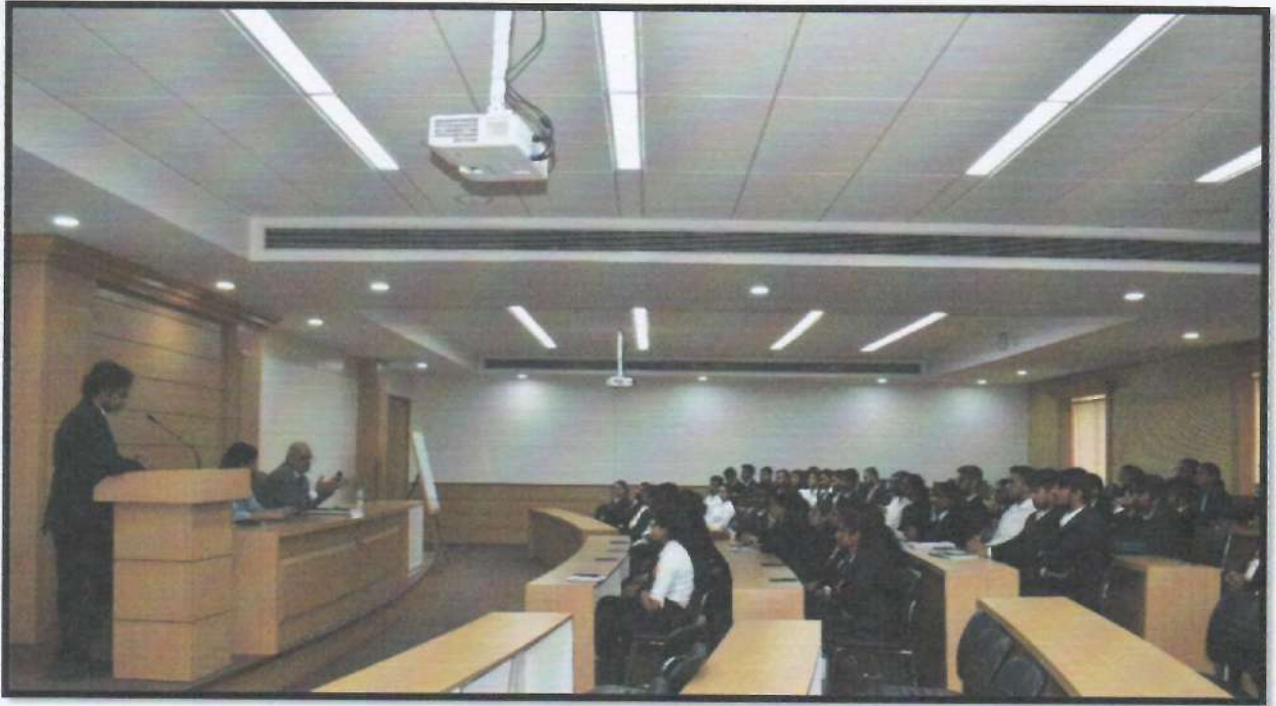

The session was based on a question answer modus operandi. A google form was floated beforehand to raise questions, while follow up live questions were also asked. Honorable Lordship enlightened the students with beginning the session with his experience as the first ever Lokpal of the country. He addressed the shortcomings that he had to face in terms of handling the institution during the pandemic.

Later, as the questions progressed, Honorable lordship shed light on the intricacies of the Lokpal Act. He explained the functioning of the organization by giving the students an insight into the inner workings of the institution. He also addressed vital questions on the kind of political pressure being faced by the institution and how the institution manages to remain apolitical despite it.

All in all, the session quenched the inquisitive thirst of the students of SLS Nagpur. We were extremely grateful to have had Honorable Lordship amongst us. We believe in fostering young minds to think, innovate and create ideas, philosophies and perspectives. The session perfectly captured this very essence! Approximately 70 students attended the interactive session.

The Interaction was planned and executed by **Dr. Shilpa Sharma, Assistant Professor (Administrative Law Faculty), Symbiosis Law School, Nagpur** along with the constant guidance from **Dr. Sukhvinder Singh Dari, Director of Symbiosis Law School, Nagpur.**

The Interaction session was moderated by **Mr. Advait Nisal** (3rd Year student) and the vote of thanks was delivered by **Ms. Vaishnavi Dwivedi** (3rd Year Student) from Symbiosis Law School, Nagpur.
