Report- Old Age Home Visit

8th February 2024

“Life is a process during which one initially gets less and less dependent, independent, and then more and more dependent.”

— Mokokoma Mokhonoana

The Rotaract Club of Symbiosis Law School, Nagpur organized a visit to the Home for Aged and Handicapped, Unthkana, Nagpur, upon receiving the invitation for their 134th foundation day event on the 8th of February 2024. We were welcomed by the sisters who worked there along with a mesmerizing performance by the children who were part of the disability centre. We were taken to the auditorium for the event where all the chief guests and audience were welcomed by a beautiful welcome dance by the children and other friends from the disability centre. We got to interact with some of the elderly citizens there as well as the sisters. Learn more about the services offered by the Old Age Home and Disability Centre, such as therapy programs, residential care, job training, and any additional support services. Explore potential collaboration or partnership opportunities—such as resources, or expertise—between your organization (if relevant) and the Old Age Home and Disability Centre. Examine the center's operating procedures, caregiving approaches, and overall management practices to uncover any best practices that could be replicated or shared with other organizations.

Understand the demographics and specific needs of the center's clients, such as their disabilities, age groupings, backgrounds, and any specialty care requirements. The faculty-in-charge Dr. Prashant Dhage along with members of the club Aadit Saharya (PRN 21010422123), division 'C' Batch (2021-26), Neha Mariya (PRN 21010421011), division 'A' Batch (2021-26), and Avantika Barik (PRN 22010422084) division 'D' Batch (2022-27) made this visit successfully. I sincere gratitude for the inspiration and unwavering support our

esteemed Director Dr. Sukhvinder Singh Dari provided me with to undertake this visit for the social-outreach.
