'Overcoming SHORTFALLS of Personality'

16th June, 2021

Symbiosis Law school Nagpur organised a workshop on personality development, on 16th June 2021 from 3.30 pm onwards. Enduring the belief of bringing out the best in Students in terms of their holistic development, Dr. Sukhvinder Singh Dari, Director of Symbiosis Law School, Nagpur, in his Welcome Address highlighted the importance of self-improvement. He registered his satisfaction for participation of students in such activities as a fundamental part of their multifaceted training. Legal profession demands respect for human values in all stakeholders be that your client, opponent, presiding officers of court, administrative staff, society at large. Hence the upcoming lawyers in the making should be able to deal with all persons in the best of his ability overcoming his own personal flaws. Keeping these criteria in the mind the workshop was conducted. He also thanked the participants for attending the workshop.

The Speaker of the session Madam, Anushka Karira, who is a Qualified Counsellor and Psychotherapist based in Nagpur, shared some great insights to make students understand the various facets of human nature. She constantly steered the discussion by posing questions to all students. She helped them understand how one should focus on his or her own self to find the answers from the inner-self. The objective of this workshop was to work over self-improvement. The aim was to explore limitless

possibilities we have in ourselves. No one in this world is perfect, but we can try to improve ourselves and overcome our shortcomings as soon as we realize them. At times it can be really challenging for individuals to talk about their shortcomings. Explaining one's negative trait or inability to do something can be very difficult and this is human nature. This also helped budding lawyers who were more than hundred in number to understand how to deal with dilemmas and rectify them with awareness. All participants appreciated the Session.

Dr. Aarti Mohan Kalnawat, faculty, SLS, Nagpur Moderated the session and introduced the resource person, Vote of thanks was proposed by Mr Aryan Parihar, Member Student Support Centre SLS, Nagpur.
